

## SELLERS leave for new owners

There are important papers and items that you should leave for the new owners, since they are specific to your home and you won't need them anymore.

- Owner's manuals and warranties for appliances left in the house.
- Garage door opener.
- Extra sets of house keys.
- A list of local service providers — the best dry cleaner, yard service, plumber, etc.
- Code to the security alarm and phone number of the monitoring service if not discontinued.
- As a courtesy, you could provide numbers to the local utility companies.
- If it's a condo, leave information on how to contact the condo board.
